Introduction - Ford in WWI The

pickup truck has been intricately  
intertwined with American culture  
as far back as the 1920s, when

Henry Ford took notice of a

preliminary pickup truck design

that the military was using during

World War I. Ford was the original

designer of the civilian pickup

truck, integrating it into a special

Model T vehicle.

History of American Trucks: Past to Present. Nearly 100 years ago, the American pickup truck was born. Despite the lack of an actual truck bed, Ford created what could be considered the first pickup truck in America with the 1917 Model TT. Chevrolet was not far behind with the 1918 Model 490, also available as a chassis only.
