Bound To The Alpha Part
Bound To The Alpha part one was interesting, but very fast paced. The entire story took place in what had to be three days. what I think was the plot was nonexistent to me Sarah got into an accident, met Cain, tried to not to fall for each other only to be doing it a day or two later then ends. flag 1 like · Like · see review

Bound to the Alpha: Part One by **Viola Rivard**

Bound to the Alpha is a werewolf romance serial that ran from May to July of 2014. Bound takes place 19 years prior to the events of Claimed by the Alphas. It is not necessary to have read Claimed to enjoy Bound, so if you have not read my previous works, this is a fine place to start.

The binding of GTP to the alpha subunit results in a structural change and its dissociation from the rest of the G-protein. Generally, the alpha subunit binds membrane-bound effector proteins for the downstream signaling cascade, but the beta-gamma complex can carry out this function also. G-proteins are involved in pathways such as the cAMP ...

Heterotrimeric G protein—Wikipedia

Alpha particles, also called alpha rays or alpha radiation, consist of two protons and two neutrons bound together into a particle identical to a helium-4 nucleus. They are generally produced in the process of alpha decay, but may also be produced in other ways.
