The authors approach the first topic with a literature review of 703 articles marked with the term “government” from five journals in the field (Business & Society, Business Ethics: A European Review, Business Ethics Quarterly, Business Strategy and the Environment, and Journal of Business Ethics) between 1982 and 2011. This study indicates that the principle of voluntarism remains, despite the broad variety of research related to the role of government in B&S.
