would either have to be unaware of its capabilities, or exceedingly stupid, to use anything else. In most cases it's almost certainly the former, because most students who do own this calculator have no idea of most of the features that it offers them: features that might help them get a better exam grade. This book aims to remedy that situation. With over 250 screen shots, accompanied by all the key strokes, you won't be left guessing how to do something. If you read this book, and try out the examples, you will come away with a thorough understanding of how to get the best out of this very powerful calculator.

village, miles from the great cities of the Twin Kingdoms, a young boy called Errol tries to find his way in the world. He's an outsider - he looks different from other children and has never known his father. No one, not even himself, has any knowledge of his true lineage. Deep in the forest, Benfro, the young male dragon begins his training in the subtle arts. Like his mother, Morgwm the Green, he is destined to be a great Mage. No one could imagine that the future of all life in the Twin Kingdoms rests in the hands of these two unlikely heroes. But it is a destiny that will change the lives of boy and dragon forever ... And so begins The Ballad of Sir Benfro - the unputdownable tale of the great dragons returning to the kingdom of men. Breathtakingly compulsive and beautifully written, The Ballad of Sir Benfro is for readers hooked to the world of George R. R. Martin's Game of Thrones and those longing for the next Tolkien film adaptation. Dreamwalker is followed by The Rose Cord and The Golden Cage. J. D. Oswald is the author of the epic fantasy series, The Ballad of Sir Benfro. Currently, Dreamwalker, The Rose Cord and The Golden Cage are all available as Penguin eBooks. He is also the author of the Detective Inspector McLean series of crime novels under the name James Oswald. In his spare time James runs a 350-acre livestock farm in North East Fife, where he raises pedigree Highland Cattle and New Zealand Romney Sheep.
