Counselling Skills For Social Work

This new edition of Counselling Skills for Social Work argues that good counselling skills are at the heart of effective social work practice. Building on the success of the first edition, this core textbook brings a range of therapeutic models, with their theoretical underpinnings and skills, directly into a social work context.

Counselling Skills in Social Work Practice (Counselling ...
Social workers wear many hats—advocate, organizer, facilitator, counselor, case manager—and they need a well-rounded set of skills to be successful. Although it may seem that the diversity of social work as a practice requires an almost limitless range of knowledge and expertise, a social worker can function well in most situations after developing a core set of important skills.
