At a time when immigration law is in flux, *Understanding Immigration Law and Practice* offers a thorough, accessible, and practical approach to understand and apply U.S. laws and regulations to help protect refugees, bring needed workers to the U.S, prevent separation of and reunite families, and provide relief to foreign nationals facing removal proceedings. Attuned to the sensitivity and responsibility necessary to ensure just results in high stakes immigration cases, the authors, who have a combined 35-plus years of front-line experience, provide readers with in-depth information and highlight readers recent changes and ongoing litigation where applicable. In addition, the book offers a new section on enforcement in both in the non-and employment-based

of the world's most prominent international law scholars from all continents have come together to offer a comprehensive study of the fundamental principles of international law. Each chapter in this volume reflects decades of experience, work and reflection by the most authoritative voices of the field. At the same time, the book is an invitation to end narrow specialisation and re-engage with the wider body of rules and processes that lie at the foundations of the international legal order.
