The Company of Shadows is a great disappointment. It started well but rapidly turned into a preposterous "James Bond meets the Sopranos"-style tale - liberally peppered with chick-lit type references. And it seemed quite clumsily-written to me. Hopefully Ruth Newman will be back on form with her next novel.

Motto. Umbra Catervae (Shadow Group) " Shadow Company is called in to clean up the uncleanable messes, and take out targets other outfits can't touch. We're a magnet for missions too sensitive to ever get declassified and too messy for those who don't know when to bend the rules of engagement. To put it bluntly, we get the job done.
