¡Qué chévere! is an engaging program that develops students' communication skills by providing ample speaking and writing practice in contextualized situations, working with partners and in groups.

On the field. At the train station. In the marketplace. Discover the Authentic. Give your students the opportunity to "live the language" through: Authentic practice! Open-ended activities! Lively, authentic cultural explorations! Engaging technology components! Navegando takes students on a journey of discovery. Designed for middle school through high school students, this three-level Spanish program uses the vibrant thread of rich, authentic culture to weave together an engaging real-life experience with the language and the people who speak it. From the start, your students will "live the language" through an instructional design that provides: Intensive, varied practice opportunities, rooted in authentic applications; Open-ended, engaging communicative activities; Lively, authentic cultural coverage; Engaging technology components that speak to today's student. - Publisher.

REALIDADES is a Standards-based middle school and high school Spanish program that combines language proficiency and cultural understanding. The program integrates research-based communication strategies, support for differentiated instruction, engaging technology, and a personalized learning management system (realidades.com) to make the program real for today's Spanish students.

Take a swing at success! With eye-catching art, functional exercises, and local-to-global cultural exploration, ¡Con brio! aims to meet the needs of a diverse, adult-oriented population. Using practical and cultural applications, ¡Con brio! helps readers function seamlessly in a Spanish-speaking world.

Caminos 3 offers students complete preparation for GCSE/Standard Grade through full coverage of all five Areas of Experience, Grades A*-G. Mixed abilities are catered for in one carefully structured Student's Book by the use of symbols to indicate differentiated activities. Student motivation is encouraged through the use of material appropriate for the 14-16 year age group in both content and style. Full support for the teacher is provided through detailed notes, National Curriculum cross referencing, tapescripts and answers as well as general teaching advice. Student's Book and worksheet activities are supported by 7 cassettes of audio material.
