I came across this article

# Get Free Physics For The Life Sciences Zinke

out of Michigan State  
University, about the issue  
of teaching intro physics to  
life science majors. I find  
it rather interesting  
(amusing?) that this is  
still an issue being  
discussed at many large

# Get Free Physics For The Life Sciences Zinke

universities when smaller universities and community colleges have long focused on designing such courses for these life sciences/pre-med majors.

*Physics and Physicists:*
