Everyone in the organization has a role to play. A servant leadership approach can be a powerful antidote to help combat staff burnout, disengagement, and turnover.

# Read Free The Case For Servant Leadership

The concept of servant leadership was popularized by Robert K. Greenleaf<sup>3</sup> who described a servant leader's mindset as one who views themselves as a servant.

Greenleaf contends that servant leaders achieve results for their organizations by attending to the needs of those they serve.

It is the best model of leadership for the leader as well as those the leader serves. It offers an ethical, practical, and meaningful way to create a more just, caring, and sustainable world. That's because servant-leaders identify and meet the needs of others, rather than just trying to acquire power, wealth, and fame for themselves.
