“The Coldest Fear” by Stephen King
“Reed Writes As Only A Cop Can.... Impressive And Dramatic.” --Nelson DeMille
Take One Deranged Killer. Add One Determined Cop. You Get One Deadly Obsession... From the moment he sees the young woman's body in her hotel bathtub, homicide detective Jack Murphy knows he's looking at a truly demented but brilliantly designed puzzle. She's been drained of blood. Missing her left hand--and the killer left a special message just for him. Hours later, he sees her severed hand arranged on a second victim's body. The newspaper has the gruesome details. The FBI has a theory. But only Murphy knows how hard he'll have to push--and how much he'll have to risk--to thwart the killer's twisted game. Praise for Rick Reed and his novels "Everything you want in a thriller: strong characters, plenty of gory story, witty dialogue, and a narrative that demands you keep turning those pages." --"Book Reporter " "Like "The Cruellest Cut, The Coldest Fear "is Reed at his thriller best! Reed thrusts the boundaries of his story forward to bring us along on a ride we won't soon forget!" --"Suspense Magazine" "As authentic and scary as crime thrillers get."--Nelson DeMille "Put this on your must-read list."--John Lutz "A jaw-dropping thriller."--Gregg Olsen "A tornado of drama."--Shane Gericke

“The Coldest Fear” by Stephen King
One deranged killer. One determined cop. One deadly obsession... “Readers will definitely want to see more of Reed’s character Jack Murphy.”—John Lutz, New York Times–bestselling author of *Darker Than Night*
From the moment he sees the young woman’s body in her hotel bathtub, homicide detective Jack Murphy knows he’s looking at a truly demented but brilliantly designed puzzle. She’s been drained of blood. She’s missing her left hand. And the killer left a special message just for him. Hours later, he sees her severed hand arranged on a second victim’s body. The newspaper has the gruesome details. The FBI has a theory. But only Murphy knows how hard he’ll have to push—and how much he’ll have to risk—to thwart the killer’s twisted game. “Reed writes as only a cop can.”—Nelson DeMille

A serial killer targets the cops and judges of a small Midwestern city in this mystery thriller by the acclaimed author and former homicide detective. Detective Jack Murphy can read a crime scene like a book. When the naked, brutalized corpse of a narcotics cop is found, it’s not the body that tells him a sick killer is on the loose, but the monkey figurine—of the “see no evil” kind—shoved down the victim’s throat. It’s not a clue. It’s a message. When a high-profile judge is set on fire, another figurine left behind. Murphy has a guess what’s next. But even he’s in for a grim surprise. Because the torture-killer taking out the defenders of law and order across Evansville, Indiana, isn’t the only one with secrets. The victims might have a few, too . . .

Finn’s search for his memory of one fateful night leads him to Iceland—only to be followed by an unhinged assassin intent on stopping him—in the riveting follow-up to *Steel Fear*, from the New York Times bestselling writing team Webb & Mann, combat-decorated Navy SEAL Brandon Webb and award-winning author John David Mann. “One of the best crime novels of the year . . . a brilliant blend of procedural mystery and geopolitical thriller.”—Jeffery Deaver, New York Times bestselling author of *Hunting Time*
Disgraced Navy SEAL Finn is on the run. A wanted man since he jumped ship from the USS Abraham Lincoln, he’s sought for questioning in connection to war crimes committed in Yemen by a rogue element in his SEAL team. But his memory of that night—as well as the true fate of his mentor and only friend, Lieutenant Kennedy—is a gaping hole. Finn learns that three members of his team have been quietly redeployed to Iceland, which is a puzzle in itself; the tiny island nation is famous for being one of the most peaceful, crime-free places on the planet. His mission is simple: track down the three corrupt SEALs and find out what really happened that night in Yemen. But two problems stand in his way. On his first night in town a young woman mysteriously drowns—and a local detective suspects Finn’s involvement. What’s worse, a SEAL-turned-contract-killer with skills equal to Finn’s own has been hired to make sure he never gets the answers he’s looking for. And he’s followed Finn all the way to the icy north.

KILLING HAS BECOME A TEAM SPORT. TO PLAY THE GAME, DETECTIVE JACK MURPHY HAS TO IDENTIFY ALL THE PLAYERS.
When his ex-wife, Katie, announces her engagement to Eric Manson, the Chief Deputy Prosecutor, and body parts of a young woman show up in the town landfill, Detective Jack Murphy is definitely having a bad day. Political interference twists and turns the investigation after it is learned the body parts belong to Nina Parsons, who was not only a deputy prosecutor, but the rumored lover of the man Jack’s ex-wife is about to marry. The thirst for greed and power can drive good men to commit evil acts. It’s up to Jack and his partner, Liddell Blanchard, to keep heads from rolling. Literally. Jack knows the criminal justice system sometimes fails, but he has no doubt that this time there will be FINAL JUSTICE.

When a killer plays mind games with a cop, there are no rules... “As authentic and scary as thrillers get.”—Nelson DeMille
The first victim is attacked in her home. Tied to her bed. Forced to watch every unspeakable act of cruelty—but unable to scream. The second murder is even more twisted. Signed, sealed, and delivered with a message for the police, stuffed in the victim’s throat. A fractured nursery rhyme that ends with a warning: “There will be more.” For detective Jack Murphy, it’s more than a threat. It’s a personal invitation to play. And no one plays rougher than Jack. Especially when the killer’s pawns are the people he loves... “A jaw-dropping thriller.”--Gregg Olsen, New York Times–bestselling author of *Lying Next to Me*
“A tornado of drama.”—Shane Gericke, author of *The Fury*
“Put this on your must-read list.”—John Lutz, New York Times–bestselling author of *Darker Than Night*

Jack Fisher is a boy in trouble. Disobedient and rebellious, he fights with his sister Jillian, challenges his parents’ authority and fails his classes at school. But when temptation overpowers his better judgment during the annual family reunion, the consequences are more drastic than anyone could have imagined. Ignoring his grandmother’s warning to stay out, Jack goes up to the attic and tries on his grandfather’s old bomber jacket and boots. Suddenly transported to a world called Weaverworld, Jack must quickly adjust to his new reality. Weaverworld is a mystical place and the longer he’s there the more willing he is to let go of the rules from his life in the Realworld. But not everything is as enchanting as it seems. Jack soon learns that Weaverworld can also be a dangerous and terrifying place, as the vengeful Grimsnippe enmeshes him in an ever more dangerous web of intrigue. With his new friends at his side, Jack must find a way to fight this evil force before it succeeds in destroying both his family and the Weaver way of life.

Stone Cold Heart: Jess Stone, former FBI sniper, always felt like the kid who looked in the candy store window but could never afford to go in. But on a humanitarian mission to aid an earthquake ravaged country, finally she finds a place where she fits, in Colin Davies’ arms, and working for Global Humanitarian Relief, her big brother’s company. But can the former SAS thaw Jess’s stone cold heart? Carved in Stone: Connor Stone has always been odd man out in his family. Not the oldest, not the most charming, he’d had a lock on the youngest until another half-sibling came to live with them, so he raised hell in his youth. Con knows now the only way to redeem himself is with deeds, not words and sets out to prove once and for all he is worthy of the Stone family. When his older brother asks him to take care of business, Con finally will have redemption he craves. Except when Ava Sanchez, his brother’s assistant, is threatened, he must choose between saving the girl or protecting his family. Will his choice bring him love or break his heart? Heart of Stone: Riley Stone is the handsome brother, the charming one. Everyone who meets him compares him to his father, which in his mind is not a compliment. But he’s never met a woman he couldn’t charm, until he meets Di, an acerbic, smart-mouthed, passionate activist who has no time for him or his charm. On the run, in the midst of danger, the blistering passion they share explodes. Can these two opposites find common ground, or will Di smash Riley’s stone heart? Still the One: Jack Stone, former Navy SEAL, and oldest Stone sibling is determined to keep his family strong. Family is everything. So he starts Global Humanitarian Relief and Stone Consulting to do some good and keep his family together. But when he has to team up with his old flame, Bliss, on a missing persons case, an evil threatens him, his family and the one woman he could never forget and doesn’t want to let go. Can these two former lovers put aside past hurts and heal their hearts? Jar of Hearts: Prickly Keisha Johnson has the hots for Shane Washington. But she’s not about to reveal her inner soft heart to the player pilot and open herself up to hurt, until a favor to their boss sends them undercover and under the covers. Can she trust his sensual attention or will he shatter her fragile heart? Queen of Hearts: Ric Santana is in Las Vegas for his friend’s wedding and some much needed R & R. But the vacation turns awkward when he discovers his smoking hot one night stand is actually his pal’s stepmother. When Shelley’s life is threatened, Ric doesn’t hesitate to step into the role of bodyguard and protector. But as Ric grows closer to Shelley, he can’t help but wonder, can he save her life or will they be too late for love? Cold As Stone: Nothing is ever set in STONE... Former

Get Free The Coldest Fear A Jack Murphy Thriller

Marine, John Pulaski, the surprise half-brother of the Stone siblings takes a trial job at Stone Consulting with hopes of making it permanent. Given a mission to find two missing women, John will stop at nothing to uncover the secrets to their abduction. His stunning and driven partner is the only hitch in his plan. After a tragic incident two years ago, former FBI agent, Rissa Evans freezes at any sign of conflict, but she's bound and determined to overcome her personal obstacles to prove to her irresistibly sexy and infuriating partner that she's got what it takes to solve the case. As John and Rissa dig deeper into the case, their unwanted attraction intensifies, taking them both by surprise. But the two wounded souls have to put aside their desires, in order to find the monster who steals the lives of innocent women. With time running out and so much on the line, can they let go of the scars of their past to discover what they're really looking for? This book also includes Jack and Bliss's wedding. :)
