"Zoo Station" is a song by Irish rock band U2. It is the opening track from their 1991 album Achtung Baby, a record on which the group reinvented themselves musically by incorporating influences from alternative rock, industrial, and electronic dance music. As the album's opening track, "Zoo Station" introduces the band's new sound, delivering industrial-influenced percussion and several

Zoo Station is a copy of the original book nothing new apart from the name very misleading!! If English is your first language you will know that American English is a much lower form, of English and much less descriptive. DO NOT!! waste your money on this book buy the original "H.": Autobiography of a Child Prostitute and Heroin Addict
